## Recommended Products/Accessories

K-23723 Faucet cleaner

## Codes/Standards

None Applicable

## KOHLER® One-Year Limited Warranty

See website for detailed warranty information.

## Technical Information

All product dimensions are nominal.

## Notes

Install this product according to the installation guide.

To recess mount, the wall cavity must be framed and the cabinet secured to framing studs. Reroute electrical or water supply lines from the cavity. Consult a professional if drain or vent piping is encountered, or if the wall is load-bearing.

To determine the height of the cabinet, ensure the door will clear all obstacles (such as a faucet). A minimum 3" (76 mm) distance is required.

Cutout for recess-mount installation:

38-1/2" (978 mm) wide x 28-1/4" (718 mm) high x 3-11/16" (94 mm) deep.
